## **Independent Volunteer Activity**

Dear Community Agency,

Kids Korps USA is a 501(c)(3) nonprofit, youth volunteer organization that engages young people, ages 5-18, in community service. Our mission is to instill in America's youth the spirit of giving while providing valuable education in leadership and responsibility. We ask that our Kids Korps members provide this letter to community agencies with whom they choose to volunteer. Your verification of their participation in a volunteer activity is used to help Kids Korps track the volunteer hours of our members, who are eligible to receive service awards.

Please fill out the requested information below. If you are interested in learning more about Kids Korps, or if you would like to explore establishing a more permanent volunteer relationship with our organization, please contact us (858.259.3602, [info@kidskorps.org](mailto:info@kidskorps.org))
